Hello everyone,

Regional Leadership Conference

As you read this bulletin Sue and I will be attending this 2 day conference held annually at the Melbourne Convention Centre. This conference brings together Principals from across SEVR (South Eastern Victoria Region) to share best practice and look at the latest research around how we can as a state system continue to improve what we do in our schools to provide the best possible learning environments for our children to learn and grow in.

Evening Soiree

Last Tuesday night I had the pleasure of attending our Evening Soiree night.

We were treated to individual and group pieces by some of our students in the Instrumental Program from Year 3 to 6. How wonderful it was to watch so many of our Year 3's step up and challenge themselves to performing solo after only two scant terms of learning their instrument. How gratifying it was to watch children in the other classes also extend themselves by courageously performing solo. After the individual and group pieces our extension orchestra played their 3 pieces beautifully. This orchestra is made up of interested students from Year 2 to 6 who wish to extend their skills. They attend an extra orchestra session out of school hours and have developed a growing repertoire of pieces. Our evening ended with a beautiful staff item from Felicite and Jonathan.

Many thanks to our wonderful Instrumental teaching team of Felicite Heine, Jonathan Tosio and Michael Webb. Your musicianship and strong teaching skills were very evident on the night, as was the respect and trust your students have for you. Well done to you all. Thanks also to the parents who attended to support our students.

Mid Winter Festival

For all families from Prep to 3, have you received your invitation to our annual Mid Winter Festival? Please let us know if you haven't - it's a special night in our calendar that is not to be missed. The festival will take place next Thursday night (21st June) starting at 5:15pm.
