Hello everyone,

Welcome back to what promises to be a productive final term of the year. Here we are almost at the end of Week 1 of our final term already. Extensive planning for 2019 is well on the way with curriculum evaluations being undertaken and budgets being prepared as well as teachers being heavily involved in the preparatory assessments and evaluations necessary for the development of your child's end of year report. During the holidays I met with our architects and DET to finalise our plans for our new building to Sketch Design stage. Sue and I will be meeting with the VSBA next week to have them signed off. How exciting!

The grade 6 graduation is being organised - the children will be working hard honing their performance skills over the next few weeks. Our prep 2019 transition programs are just around the corner; our student-led conferences to be held on 23rd October; our 'Founding Fathers and the Band-Shes' concert as well as many class performances are in the all-important preparation stages, just to mention a few of the many, many things happening this term, along with our regular Bentleigh Farmers' Markets.

As fourth term is always busy and at times it is in fact, quite hectic, I encourage you to keep an eye on the term calendar so that you can keep up to date with all that is happening. There are many activities planned and the way time flies, Christmas will be here again before we know it. Don't look now but Christmas decorations have already started appearing ☺.

Please Note: There has been a reported case of chicken pox during the school holidays.

Until next time.....**Maria Shearn - Principal** 😊

A reminder that we need all clothing donation bags for Diabetes Victoria to be brought to school by Monday 15th October at the very latest.

Please take your green bags to the indoor gym.

Extra bags are available at the school office. Thank you!
