Term 1 / Week 1 : 28th Jan 21

SCHOOL VISION: East Bentleigh Primary School provides a rich, inviting, child-focused environment ensuring that all students feel safe and stimulated. Our students are able to achieve their full academic, creative and social potential, equipped for the challenges of lifelong learning. Students develop into healthy and confident individuals, actively contributing to the world in which they live.

At East Bentleigh Primary School we are committed to child safety.

Hello everyone,

What a joyful first day of the academic year we have had. Our brand new preppies were welcomed directly into their respective classes at the beginning of the day, whilst our Year 1-6 students and families attended our welcome assembly.

It is always wonderful to see the happy and expectant faces of the children as they reacquainted themselves with their classmates and welcomed nervous new children into the East Bentleigh P.S. family. We are all looking forward to a happier year full of learning and growing.

With a little innovative thinking we were still able to invite new parents to join existing parents to a 'welcome morning tea' which was well attended this year. I think that says quite a bit about how we have all missed one another's company over our months of enforced but necessary isolation in 2020. I am grateful to our parent community who have understood the need for refraining from entering buildings. Thank you for your understanding.

Next week in our first full newsletter, I will outline some more important start of the year information, but for now I hope you enjoy viewing the photos taken today at our first recess of preppies enjoying a snack; children enjoying the much anticipated, lush and bouncy brand new oval and some of our new senior students enjoying their new space including the newest built playground structure.

Nice photo bomb from Zara and Siena ☺

Here's to a happy and healthy year ahead as we all learn and grow together.

Until next time.....Maria Shearn - Principal
