**SCHOOL VISION:** East Bentleigh Primary School provides a rich, inviting, child-focused environment ensuring that all students feel safe and stimulated. Our students are able to achieve their full academic, creative and social potential, equipped for the challenges of lifelong learning. Students develop into healthy and confident individuals, actively contributing to the world in which they live.

**At East Bentleigh Primary School we are committed to child safety.**

Hello Everyone,

I would like to wish all mums, grandmothers, and special people a very Happy Mother's Day on Sunday. I do hope you get spoilt by your loved ones with their presence and presents. I am also aware that Mother's Day is a very sad day for some people, especially to those families that have lost precious mums or grandmothers over the last few years. To these families, hold each other close and think of all the wonderful times you had with your mum or grandmother. I personally will be spending the day with my 93-year-old mum and my many siblings. She will be spoilt with lots of love and attention.
