SCHOOL VISION: East Bentleigh Primary School provides a rich, inviting, child-focused environment ensuring that all students feel safe and stimulated. Our students are able to achieve their full academic, creative and social potential, equipped for the challenges of lifelong learning. Students develop into healthy and confident individuals, actively contributing to the world in which they live.

At East Bentleigh Primary School we are committed to child safety.

Hello everyone,

Prep Classes -100 Days at School Celebration

Our prep children have celebrated this very special milestone with a day of fun and surprises, including a very special dress up day. I feel such a sense of joy as I watch our preppies enjoying their time at school both inside and out of the classrooms. How much they have all learned in these special first 100 days. This year, Donna, Irina and Stewart guided their children to our welcome tree to take a special commemorative picture of them celebrating their 100 knowledge. Thank you, parents, for helping your children gather their very special 100 somethings - the display of their efforts were most creative.

Congratulations

A hearty well done to the T-Ball team who last week played in the Grand Final against Tucker Rd PS. The team played with great spirit and teamwork and were well supported by their coach Andrea Smith and ES staff Timm and Marilena, as well as an enthusiastic group of parents. Well done on your Runner's Up result boys. You staged a great comeback after a slow start which demonstrated great persistence and hope. Great character strengths to have.

2024 Enrolments

A reminder that these are being taken at the moment. If you have a little one at home ready to start school next year and haven't quite gotten around to sending in an enrolment form, could you please do so now so we can plan accordingly. Whilst this has always been important it is even more so this year due to the severe shortage of teachers in the system.

Until next time.....Maria Shearn - Principal 😊
