SCHOOL VISION: East Bentleigh Primary School provides a rich, inviting, child-focused environment ensuring that all students feel safe and stimulated. Our students are able to achieve their full academic, creative and social potential, equipped for the challenges of lifelong

Hello everyone,

Father's Day Storytelling Evening

Our Year 1 children and their dads spent some quality time together last night in the junior library space listening to stories and sharing some yummy hot chocolate together. Many thanks to our Year 1 teachers Anne, Leah and Sarah for arranging this special event for the children in their classes and their dads.

Father's Day Stall

Many thanks to Kym and her band of helpers - Jan, Gordana, Natasha and Sharlene who were ready today for classes to come over and make their special selections for this most important person in their lives. It is lovely to witness the care with which the children make their selections for their dads; another example of how to connect learning to real life experiences. Special thanks to Kym and Gordana who did so much work behind the scenes preparing such a lovely array of gifts for our dads.

To those parents who may have lost their fathers since last Father's Day and to those who hold their fathers deep in their hearts as I do, I think of you at this time. I'd also like to acknowledge the role of fathers providing such positive role modelling to children. Conversely I'd also like to acknowledge and respect that, where dads may not be in the home, there are mums, relatives, care-givers and guardians who give so much of themselves. I hope that all our families have a special day on Sunday spending lots of fun time with one another.

Ensemble Evening

I am really looking forward to tonight's ensemble concert. The children and their teachers have been working very hard all week to perfect their pieces. It is amazing how quickly they have learned a brand new piece. More news next week.

Sunsmart Reminder

As we move into the month of September (where has the year gone??), a reminder that in line with our sunsmart policy, all students are required to wear a broad brimmed hat, (not a base-ball style cap), when they are playing outside from now on. This also includes during Physical Education lessons or any other outside activities.

Until next time.....*Maria Shearn - Principal* 😊
